Hi all,

Buick Meeting Notes, Saturday November 4, 2023

- **Meeting attendance:**

- 13 people attended the November breakfast meeting this morning

- **Members' news:**

- Club members visited with Alden and Phyllis Elshof. They are doing well, are in their 90s and don't drive anymore, but their daughter takes them shopping.
- Maxine Bunker has been out of town in New York, Her brother isn't doing well and is in a form of hospice care within the hospital.

- Paulette Hagan's daughter has lung cancer, and lesions on her brain.
- Please keep Alden, Phyllis, Maxine and her family, and Paulette, her daughter, and their family in your thoughts and prayers.
- Tom has had success selling a few of his cars and his enclosed trailer. He still has his '29 Buick for sale and Tim offered to make a call or two to help out. His '25 Model T is also still available. Ken M. will likely be listing one or two in Hemmings or on Bring a Trailer in the near future to provide greater visibility.
- **Guest news:**
 - Matthew Majoros came to breakfast as a guest and potential member with a great story. His grandfather owned a '49 Buick Super 4-door from new. He drove it for 25-30 years and 80,000 miles. But then it sat for 30 years. Next it went to Matthew's uncle who got it back on the road and drove it during summers and nicer weather in Michigan. But then it sat again. Matthew expressed interest in the car and had it shipped down to Colorado where he plans to continue to make improvements to it over the winter. The car is nearly all original and in good condition. Please look for a picture in the next newsletter.
