

Hi All,

Here are the Buick Club Meeting Notes for November 2, 2024:

### Meeting attendance

- 11 club members and one guest attended this morning's meeting

### Member News

- Steve Carmack is home recovering and apparently doing pretty well
- John Iannone attended and is also doing pretty well. No update on upcoming surgery.
- Ken M. recently ran into Aldon at the Good Guys show. He is doing ok and may attend a future meeting with Ken. Phyllis is in home care.
- Mike B. returned the '97 Cadillac after it left him stranded and waiting for a tow truck for over three hours, and bought a four wheel drive Jeep instead
- Ken brought a guest, Glen, who drove his '37 Buick to the meeting. Good looking car with original drivetrain, but some updates including a later two carb setup, electronic ignition, heated and cooled bucket seats, and a nice repaint in original colors that Glen completed himself. Glen also shared the story of picking up a second car, a '37 Chevy coupe, in Terra Haute, IN that he had won in an EBay auction. Tim offered Glen membership info.
